

ScreenElement

```
classDiagram
    class ScreenElement
    class Box
    class TextBox
    TextBox --|> Box
    Box --|> ScreenElement
```

The diagram illustrates a class hierarchy. At the top is the 'ScreenElement' class, enclosed in a dashed rectangular border. Below it is the 'Box' class, represented by a solid rectangular border. At the bottom is the 'TextBox' class, also with a solid rectangular border. A vertical arrow points from the top of the 'TextBox' box to the bottom of the 'Box' box. Another vertical arrow points from the top of the 'Box' box to the bottom of the 'ScreenElement' dashed box, indicating that 'Box' inherits from 'ScreenElement' and 'TextBox' inherits from 'Box'.
